

Todd County Water District
2025 KY Highway 171 Area Waterline Upgrades

ADDENDUM No. 1

January 20, 2026

This ADDENDUM to plans, specifications and bidding documents for the subject project modifies the referenced items to the extent described herein. Items not modified by this ADDENDUM remain unchanged and in full effect. Bidders are required to acknowledge receipt of this ADDENDUM on the Bid Form.

1. Bid Documents (Instructions to Bidders): **Revise** Article 1 – Defined Terms; Paragraph 1.01C as follows:

C. *Successful Bidder - The responsive and responsible Bidder submitting a Bid to whom the OWNER (on the basis of OWNER's evaluation) makes an award. **The Owner reserves the right to not necessarily award the project to the lowest bid received, and it will consider work experience, past performance, and/or work familiarity.***

2. Bid Documents (Bid Form): **Revise** Paragraph 5.01 as follows:

5.01 *Under this Option, BIDDER acknowledges that the Todd County Water District (Owner) will be buying all waterline related materials and appurtenances for this project, including the fully assembled master meter vault. The cost of these materials should NOT be included in the Bidder's applicable bid prices. The cost of all other incidentals and materials, such as rock, concrete for thrust blocks, pavement material, seed, straw, etc. needed on the project, but not commonly supplied by a water supply house, should be included in the Bidder's applicable bid price(s). Also, the Contractor will be required to take possession of the master meter vault at the Owner's office and transport it to the point of installation. Costs for the transport should be included in the Bidder's applicable bid price.*
