

City of Mortons Gap Water Works
Water System Rehabilitation & Upgrade Project
Contract No. 2 – Water Meter & Service Tubing Replacement

ADDENDUM No. 2

April 8, 2020

This ADDENDUM to plans, specifications and bidding documents for the subject project modifies the referenced items to the extent described herein. Items not modified by this ADDENDUM remain unchanged and in full effect. Bidders are required to acknowledge receipt of this ADDENDUM on the Bid Form.

1. Advertisement for Bids: In light of the Covid-19 restrictions affecting public gatherings and the fact Mortons Gap City Hall is closed indefinitely, we will modify the location of the bid opening and your ability to watch the bid opening. The Bid Opening will occur in the Engineer's office as described below:

*The **City of Mortons Gap** will receive separate, sealed Proposals for their **Water System Rehabilitation & Upgrade Project: Contract 2 – Water Meter & Service Tubing Replacement** until **10:00 a.m. local time, Tuesday, April 14, 2020** at the office of **McGhee Engineering, Inc., 202 South Ewing Street, P.O. Box 267, Guthrie, Kentucky, 42234**, at which time they will be opened and read aloud. The Bid Opening will be **CLOSED** to the general public to adhere to social distancing guidelines, but the opening can be digitally witnessed live & in reply via YouTube.*

Bids must be in hand by the stated opening time. Delivery Options for your Bids:

- a. USPS Delivery – Send to PO Box 267, Guthrie, KY 42234. We will collect prior.
- b. Shipping Delivery – Send to 202 South Ewing Street, Guthrie, KY 42234.
- c. Hand Delivery – A collection basket will be positioned outside our front door up to an hour before the opening for anyone wishing to drop their bids off.

The bid opening will be live-streamed to allow real-time remote viewing and we encourage bidders to take advantage of this. The link to view the live stream and replay of the stream is as follows: https://www.youtube.com/channel/UC5jYTuDjD5F7uvWQ7kE_L8w

Instructions for viewing:

- a. On mobile, clicking the link will bring up the channel in the YouTube app on both Android and iOS. If you do not have the app already installed, we recommend installing the app to help ensure functionality. The live stream will appear at the top of the McGhee Engineering channel's list of videos
- b. On desktop, clicking link will bring up the YouTube channel for McGhee Engineering in your default internet browser. The live stream will appear under the Home tab for the McGhee Engineering channel.
