**ADDENDUM No. 2**

December 9, 2022

This ADDENDUM to plans, specifications and bidding documents for the subject project modifies the referenced items to the extent described herein. Items not modified by this ADDENDUM remain unchanged and in full effect. Bidders are required to acknowledge receipt of this ADDENDUM on the Bid Form.

1. **Bid Form: Clarification** for potential bidders related to the Owner's right to award only the equipment purchase portion of the work (Part B), at the stated unit prices, due to the possible limited funds available for the project.

**IF** the Owner were to exercise their right to award only the equipment purchase portion of the bid, performance and payment bonds will not be required for the contract. If Bidders aren't able to submit pricing for the Labor, that should be listed as an 'exception' in the bid response.

Reminder, the Owner reserves the right to reject any or all Bids, to waive any technicality, and to accept any Bid which it deems advantageous.
